National Drive Safe Month

June is national drive safe month and millions and millions of people a year are killed or injured in motor vehicle accidents. Most can be prevented by taking small, but important safety measures:

1. If you have a child, they need to be in a car seat in the backseat.
2. Wear a seatbelt.
3. Do not drive if you are tired or under the influence of alcohol or medication.
4. Follow traffic light signals.
5. Follow the speed limit.
6. Use your mirrors to navigate.
7. Pay attention to road conditions.
