MAKING THE BUSINESS
OF PEOPLE EASIER.

GIVING YOU BACK THE TIME
TO DO WHAT YOU LOVE

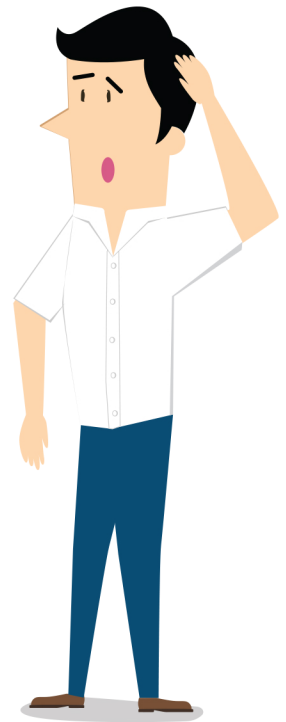

What if you could get back 5-10 hours per week to focus on what you do best?

If you're like most business owners, **you started your company because you either wanted to be your own boss, or pursue one of your greatest passions.**

In fact, it was probably a mixture of the two.

But as your business continues to grow and flourish, **the time you used to spend doing what you love is now being spent on things like HR and payroll administration...**

What you really want is to simplify your life and put the focus back on running your business.

When we started our business in 1970, we were frustrated by increasing government regulations and skyrocketing insurance costs, too.

Which is why we started a service that allows busy business owners to offload the following **five functions to us**:

In exchange, business owners **gained back 5-10 hours per week** to focus on their core business.

Experience the invaluable benefits of:

- ✔ Less time on transactional HR
- ✔ Lowered liability
- ✔ Decreased labor costs
- ✔ Improved employee productivity
- ✔ Greater profitability

Working with LandrumHR was easily the best decision we have ever made.

It frees me up from dealing with all of the day-to-day “stuff” that comes up like PTO/vacation time, how we pay, training mandates, FMLA compliance, and so on.

It is a small price to pay for the piece of mind of having true HR experts at your fingertips. I recommend them without reservation. — Dr. Carl Spear
