“

*Working with LandrumHR was easily the best decision we have ever made.*

*It frees me up from dealing with all of the day-to-day “stuff” that comes up like PTO/vacation time, how we pay, training mandates, FMLA compliance, and so on.*

*It is a small price to pay for the peace of mind of having true HR experts at your fingertips. I recommend them without reservation.*

Fall back  
in love  
with your  
business

Landrum **HR**

What if you could get back 5-10 hours per week to focus on what you do best?

If you're like most business owners, you started your company because you either wanted to be your own boss, or pursue one of your greatest passions.

In fact, it was probably a mixture of the two.

But as your business continues to grow, the time you used to spend doing what you love is now being spent on things like payroll administration and benefit issues...

Don't let the red tape of all the federal, state, and local regulations jeopardize what you've worked so hard to build.

Our expert team can customize a service plan to meet your unique HR needs.

### How Our Full-Service HR Outsourcing Works

LandrumHR is a Professional Employer Organization (PEO) that offers business owners the HR expertise, resources and infrastructure that they don't have or can't build on their own. The truth is that it is too expensive, time consuming and confusing to "go it alone," not to mention the challenges of recruiting and training the right talent. At LandrumHR, we think there is a better way. From HR services and payroll, to employee benefits and ensuring compliance with employment laws and regulations, we offer a comprehensive array of services and a fully integrated HR technology platform to help you protect and grow your business.

Simplify your life and put the focus back on the things you love.

Our service allows you to offload the following functions to us:

Business owners and HR managers gained back 5-10 hours per week to focus on the revenue producing aspects of the business, which translated to an average ROI of 27.2%.
