FALL BACK IN LOVE
WITH YOUR BUSINESS

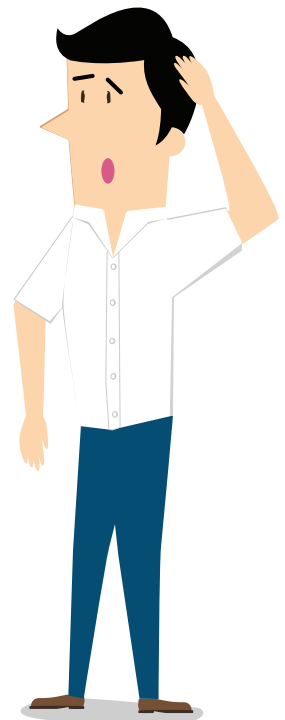

What if you could get back 5-10 hours per week to focus on what you do best?

If you're like most business owners, **you started your company because you either wanted to be your own boss, or pursue one of your greatest passions.**

In fact, it was probably a mixture of the two.

But as your business continues to grow, **the time you used to spend doing what you love is now being spent on things like payroll administration and benefit issues...**

What you really want is to simplify your life and put the focus back on the things you love.

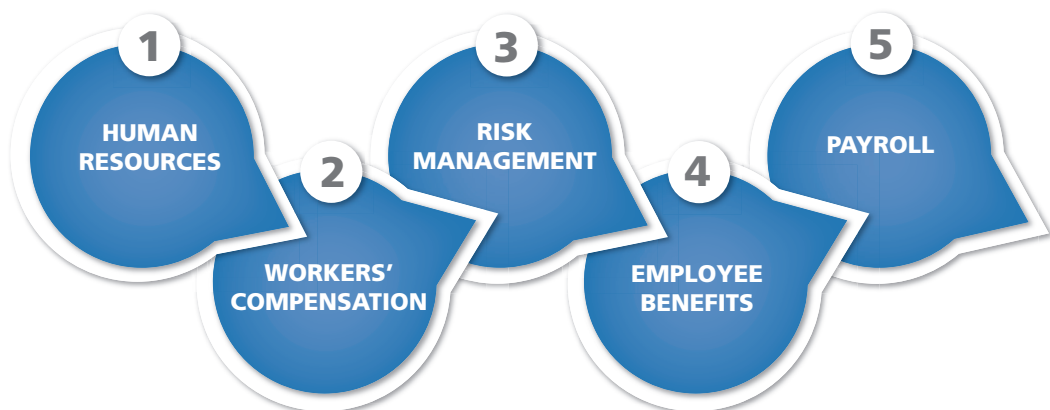

When we started our business in 1970,

we were frustrated by increasing government regulations and skyrocketing insurance costs, too.

That is why we started a service that allows you to offload the following **five functions to us**:

Business owners and HR managers **gained back 5-10 hours per week** to focus on their core duties, which allowed for significant company growth.

Experience the invaluable benefits of:

- ▲ Greater profitability
- ▼ Less time on transactional HR
- ▼ Lowered liability
- ▼ Decreased labor costs
- ▲ Improved employee productivity

Working with LandrumHR was easily the best decision we have ever made.

It frees me up from dealing with all of the day-to-day "stuff" that comes up like PTO/vacation time, how we pay, training mandates, FMLA compliance, and so on.

It is a small price to pay for the peace of mind of having true HR experts at your fingertips. I recommend them without reservation. — Dr. Carl Spear
