

## Talent Solutions

Our specialized expertise and passion for people allow us to recruit top HR and Marketing professionals. When you need top talent in the market, we can quickly place top resources in interim or direct-hire positions.

- **National HR & Marketing Search** - We understand how important it is to find the right skillset as well as the right cultural fit. Our team goes beyond typical sourcing to reach passive candidates and ensure a perfect fit for your team.
- **Interim HR & Marketing Professionals** - When a critical role is left unfilled, work slips through the cracks. If you have a gap due to short-term leave, a strategic project that needs help getting over the finish line, or if you want to test out a new position before fully committing, we'll find the right resource to accomplish your goals.
- **Fractional HR & Marketing Executives** - When you need part-time executive-level support with a full-time impact, a Fractional HR or Marketing executive may be the solution. Fractional executives can help during mergers & acquisitions, give unbiased guidance to your executive team, or help out until you're ready for a full-time role.
