When to Use LandrumHR Executive Search

- When you need solutions, not resumes
- When the perspective of a trusted advisor to navigate each step of the hiring process is needed
- Your organization lacks the internal expertise to secure top candidates
- There is a C-level, leadership, or strategic opening
- Time is of the essence and/or resources are limited
- Objectivity or confidentiality is required

Benefits of LandrumHR Executive Search

- Proficient, specialized recruiters engaged solely in customized searches
- Elimination of time and/or internal resources by considering only a select group of vetted candidates
- *Best Fit* profiling proven to reduce turnover
- Immediate access to the highly sought after passive job seeker
- An advocate to build your brand awareness while enhancing each candidate's experience
